Letter of introduction and Request for a meeting

Dear Ambassador Kennedy,

Introduction

I would like to take this opportunity to introduce myself and The Freedom Union to you. The Freedom Union has been recently launched here on the continent of Australia in response to the War Crimes being engaged in by the Albanese government and the Australian parliament. The Freedom Union has also been launched in response to the widespread and deep corruption that has taken root within all of the Workplace Relations Act Australian registered trade unions.

Who we are

The Freedom Union's national launch was necessitated after concerning revelations were discovered and uncovered.

1. National Strike Australia uncovered that the Albanese government and all its governmental subsidiaries and third-party agencies are in fact non constitutional and unlawful. I would draw your attention to the published works of the Australian researcher and author Dick Yardley and in particular Australian political treason treachery & sabotage.
2. On the fourth of March 2024 the national Australian law firm Birchgrove Legal filed a Case for Complicity to Genocide to the Hague - International Criminal Court. It is now a matter of fact that the Australian Prime Minister Anthony Albanese has been referred to the International Criminal Court as an accessory to genocide in Gaza, making him the first leader of a Western nation to be referred to the ICC under Article 15 of the Rome Statute.

Actions in progress

Thus far in response to those two discoveries the following actions have been taken.

1. A new trade union has been launched 'The Freedom Union' who have used the appropriate international laws 'Freedom of Association' to establish its lawful standing.
2. I, John Wilson as the authorised Office Holder have written to the following Office Holders notifying them of The Freedom Union's existence and calling upon them to discharge their duties by providing protection, support and assistance, please see copy attached.
 - a) Captain (RAN) Glenn Kerr Provost Marshal & Commander Joint Military Police Unit Army Headquarters, Russel Offices, Canberra ACT 2600
 - b) Major General Chris Smith: Deputy Commanding General (Australia) for the U.S Army Pacific
 - c) Grp Capt. (Col) Timothy Wood: New Zealand Provost Marshal
 - d) Brigadier General Sarah K Albrycht: Provost Marshal U.S. Army
 - e) His Excellency General the Honourable David Hurley AC DSC (Retd)
 - f) The Honourable Anthony Albanese MP Prime Minister
 - g) The Honourable Mark Dreyfus MP Attorney-General

3. Thus far it is evident and clear that ongoing War Crimes are being committed against members of The Freedom Union in Australia. In response The Freedom Union of Australia is preparing evidence and official lodgement of War Crime Incidents committed against our union members to be lodged with The Office of the Prosecutor with the International Criminal Court (ICC). So that prosecutions can commence.

Concerns held

1. We have not received any response to the first Provost Marshal letter send early November 2024 (copy attached).
2. The Albanese government and all its governmental subsidiaries and third-party agencies are ignoring and will continue to ignore their obligation under international law and will continue to commit and engage in War Crimes.
3. Also of deep concern is the targeting of those Union members who have and will lodge Incidents with the International Criminal Court despite having witness protections and it being a duty of care of an international citizen to not be complicate in War Crimes ie funding an aggressor in times of war.

Request for a meeting

Ambassador Kennedy, I would humbly request from you to make time at your convenience for myself as the National Spokesman of The Freedom Union of Australia to meet with you to discuss the concerns held by the union and the formal correspondence sent to President Trump, see attached.

I look forward to your prompt response.

I, the undersigned Declarant make that I allege to be true, correct and certainly not misleading. I declare that I am a natural man, living breathing soul, being of majority in age, having a sound and sane mind, competent to speak the truth.

Further Declarant saith not.

John Wilson
Spokesman
