Council Fines

As a
**Freedom Union member,
it's not a choice,
its a duty
to refuse to pay fines.**

Distance yourself from being
complicit in funding War Crimes.

Individuals have international duties
which transcend the national
obligations of obedience imposed
by the individual State.

The Freedom Union was established
for all members seeking to comply with
International Law and remain peaceful.

The get-out-clause was implemented to
provide for a peaceful remedy for
members concerned with their life,
liberty and peaceful existence.
